

Coming Soon: New TMHP Login Process and MFA Registration Requirement

Background

Parkland Community Health Plan is notifying its in-network (INN) providers of an upcoming change from the Texas Medicaid & Healthcare Partnership (TMHP). TMHP will transition to IAMOnline as the new login platform for accessing applications on the TMHP website. This update will require providers to complete Multi-Factor Authentication (MFA) registration.

Key Details

TMHP will provide additional details and instructions related to the IAMOnline transition by April 24, 2026. For more information, reference TMHP's article, ["Coming Soon: New Login Process for All Texas Medicaid Providers Through TMHP IAMOnline and Provider MFA Registration,"](#) on the [TMHP Texas Medicaid webpage](#).
