

Provider Survey: Annual Provider Network Verification

Help Us Update Our Provider Records!

Parkland Community Health Plan is asking providers to review and verify information included in our provider network records. Having accurate provider data helps us ensure that health plan members can access current and reliable information in our Provider Directory listings.

This survey supports PCHP's ongoing efforts to maintain accurate network data and meet regulatory requirements. Scan the code or visit the link below to update your:

- Practice and servicing locations
- Phone and fax numbers
- Office hours
- Accepted patient status
- Languages spoken
- Provider demographic information
- Provider/group affiliations
- Accessibility information
- Directory information displayed to members

The survey should take about **5 minutes** to complete. Please provide your responses by Monday, **August 31**.

For more information, please email **PCHP.ProviderRelations@phhs.org**.

Thanks for all that you do to serve our members on their path to better health and wellness!
