

2026-2027 ICD-10 Special Bulletin Now Available

Last updated on 10/1/2026

The 2027 *International Classification of Diseases, Tenth Revision* (ICD-10) updates that are effective for dates of service on or after October 1, 2026, are now available. The update includes changes to the Clinical Modification (ICD-10-CM) diagnosis code and the Procedure Coding System (ICD-10-PCS) surgical procedure code.

Refer to the 2026 ICD-10 Special Bulletin on the [Rate and Code Updates – ICD-10](#) Updates page of tmhp.com.

The *Texas Medicaid Provider Procedures Manual (TMPPM)* and the *CSHCN Services Program Provider Manual* will reflect the 2026 ICD-10 changes in the November 2026 release.

For more information, call the TMHP Contact Center at 800-925-9126 or the TMHP-CSHCN Services Program Contact Center at 800-568-2413.

Note: Texas Medicaid managed care organizations (MCOs) must provide all medically necessary, Medicaid-covered services to Medicaid members who are enrolled in their MCO. Administrative procedures, such as prior authorization, precertification, referrals, and claims and encounter data filing, may differ from traditional Medicaid (fee-for-service) and from MCO to MCO. Providers should contact the member's specific MCO for details.
